All sales are final. Time estimates are subject to manufacturer's ability and their accessibility to necessary materials and components. Partial installs will be paid at time of installation - any remaining non-installed items must maintain the original discount and deposit. If the customer cannot provide access for installation or accommodate receipt of product, the full balance will become due after 30 days have passed from the time of our first attempt at contact for installation or delivery. Customer is responsible for their choices of product, style, color, controls, and control locations. The undersigned agrees to the above.
